## WORK EXPERIENCE

### Freelance Front End Developer

#### Soul - Productos Aromáticos

08/2022 - 12/2022

- Created the UI/UX design for the website, ensuring it was user-friendly, visually appealing, and optimized for performance.
- Collaborated with a photographer to select and incorporate high-quality images that complemented the website's design and content.
- Worked closely with the client to understand their specific requirements and ensure the website met their expectations.
- Conducted testing and debugging to ensure the website was free of errors and performed optimally on all devices and browsers.
- Maintained and updated the website as needed, ensuring it remained current, relevant, and functional.
- Provided ongoing support and troubleshooting to the client, addressing any issues that arose in a timely and professional manner.

### Service Advisor (Intern)

#### Meucci Automotores

12/2021 - 03/2022

- Responsible for managing customer interactions and acting as the primary point of contact between customers and the business.
- Utilized a range of industry-standard software tools, including CRM software, Microsoft Office package, and other tools.
- Managed customer inquiries, complaints, and concerns, working to resolve issues in a professional and timely manner.
- Conducted follow-up with customers to ensure that they were satisfied with the services received and to gather feedback on areas for improvement.
- Participated in ongoing training and professional development activities to enhance skills and knowledge, and to stay up-to-date with industry trends and best practices.
- Built positive relationships with customers and colleagues, actively listen to customer needs, and provide clear and effective guidance and support.
